Tipping Trailer Fraser Large £1250

£1,250.00

Large Tipping trailer in need of repair - Fraser 12 ton - this is a worthwhile project - the chassis - axles - tyres are all pretty good - the frame work of the trailer body is a good monocoque design - it does need some welding - from the pictures you can see that some of the panels need replacing or repair - couple of days with a welder and some sheets of steel and you have a good usable trailer - ideal export - plenty of room in the body for other items - more pics and info see details
