## Wadkin overhead router 3 phase

**£450.00**

Wadkin Overhead Router. No switchgear on it, and no tooling with it. otherwise complete

General condition appears to be pretty good other than the top of the motor has been taped up

All these machines have been sat unused for a considerable time, and are very old. They are sold strictly on a spares or repair basis, not to be considered working fit for purpose. It is the purchasers responsibility to check what (if any!) health and safety requirements any of these
